

THE ECHO

July 2018

President's Report

There have been three rollover accidents involving juveniles driving golf carts this year. Fortunately no one was seriously injured. Carts with more children than seats allow, speed going down hills and children under 12 driving carts with no adults present are major concerns.

Any golf cart or ORV driven on HAH roads by a juvenile must have a sticker proving the parents and the child have attended a rules session put on by the ORV Committee. If the child attended in 2017 the parents may go to the office or Security, show identification and sign a new Release Form. They do not have to attend the session each year.

Security will step up enforcement of the ORV rules. This is being done to prevent a regrettable accident. The rules are on page 19 in this Echo and on pages 16-17 in the HAH Rules.

HAH financials are improving. Lodge and Clubhouse performance are improving too. However, without the proposed monthly assessment increase, HAH cannot afford the costly fix of about five miles of the ditches that border HAH roads. Without that repair, roads will continue to get narrower and the MotoPave areas will be undermined. Sessions to explain all of the reasons for the increase are upcoming. Please attend and ask questions before you decide how you will vote in August.

Greg Ptacin, President

THE USE OF FIREWORKS IS PROHIBITED IN HIDE-A-WAY HILLS.

ATTENTION MEMBERS

Since the warm weather is now upon us and we have many members with pets, we remind you to keep your pets under control while on your property, as well as while walking them. Also, please abide by the HAH Club Rules:

10. PETS

All pets are the responsibility of the owner and must not create an annoyance or nuisance to neighbors or other members of HAH.

- No animals, livestock, or poultry of any kind shall be raised, boarded, bred, or kept on any lot, except dogs, cats and household pets, without permission of the Hide-A-Way Hills Club Board of Trustees. (Deed Restriction #5.)
- A maximum of two (2) dogs and/or two (2) cats per household will be permitted in HAH. Litters of dogs and cats must be sold or given away before reaching six (6) months of age in order to not exceed the two

pet limits.

- All pets found on common property, unattended, are subject to removal by the County Dog Warden.
- All pets must have a collar with identification so that the owner may be located.
- All pets must be physically confined or restrained upon the owner's property by leash, tether, supervision, electronic fence, or secure enclosure to prevent escape.
- Any female dog in heat shall be on a leash at all times. It is understood that all pets need exercise. They must be under reasonable control of some person at all times.
- Owners are responsible for cleaning-up after their pets.

Security Spotlight

We have an amazing team of Security officers! Over the next year, one of them will be highlighted in the Echo each month! They have varying interests and experiences. Get to know them and share your experience with them. We are truly blessed to have them ensuring our safety! See Cash's answers to the questions. He has been at HAH for many, many years and has made a difference for all of us.

How long have you worked in HAH? I have worked at HAH for 23 years. I started in 1995!

What position did you have when you started and what are you doing now? My first position was as a guard. Then I was the lake patrol officer. Now I am the weekend supervisor.

What is a favorite memory you have of HAH? I really enjoy how HAH looks after winter is over and spring starts!

Tell us something you do as a security guard supervisor that most people don't realize? I handle all of the computer/technical work in the guard shack. I also work every weekend.

Tell us about your family. I'm married and have a wonderful son and a stepson who just turned 18!

What are your hobbies? I like computers and technology. I also like gaming, camping and sketching.

Member-Guest 2018 was a BIG success! One for the record books.

There was a tie for first place with a score of -13. "Boots Home Improvement," consisting of John Lenhart, Steve Parish, Frank Cosenza, and Randy Sims won in a chip-off. Second place was "Where's Ring," team of Eric Sherman, Kyle Sherman, Joey McDaniel and Cameron Waid.

Long drive for women went to Annie Kerregan, with Cameron Waid winning long drive for men. Longest putt for women went to Karen McNabb, with Ron Beatty winning long putt for men. Closest to the line on #8 went to Jeff Stimmel. Dave Mockensturm was awarded for winning the closest to the pin on #4.

Many thanks to the Golf Committee and the numerous volunteers: Bob & Rita Sagsetter, Matt & JoEllen Scherrer, Clint Mercer, Cookie Mockensturm, Jim & Becky Lloyd, Carolyn & Bucky Childers, Joe Gillespie, D D Parker, Jim Whitt and our great chef Mike Burnside. Thanks to Greg Marcum and Jim Whitt for donating silent auction items.

Thanks to all of the participants in the Deck Tour! It was a beautiful day. And we were able to raise close to \$3000 for the Raise the Deck Campaign.

Special thanks to our Hosts -

- Chas and Kim Cross
- Fritz and Jen Rizor
- Dave and Ginger Reed
- Bob Sorrell and Kathy Mack
- Brian and Wendy Rubin
- Jon and Jenny Lester

Additional thanks for the generosity of those who donated raffle and auction items.

And certainly don't want to forget all our volunteers! This event would not have been not possible without them -

- Cindi and Pat Lynch
- Deb Bywater
- DD Parker
- Pat Deweese
- Karen McNabb
- Cookie Mockensturm

NEWS FROM THE RANGE

July 2018

Most new shooters have some anxiety about going to the range for the first time. We always tend to be nervous about trying new things, but this activity comes with lots of noise and a large dose of preconceived fears. Our Range Officers are prepared to help you feel comfortable and safe during your visit to the HAH Range. To help you feel at ease we ask you to remember the 4 following rules whether you're at home or the range.

- All guns are ALWAYS loaded—period. Always assume the gun is loaded, and check for yourself if someone hands one to you.
- ALWAYS keep the gun pointed in a safe direction. Never point the muzzle at anything you're not willing to destroy. **This is the primary rule of gun safety.**
- ALWAYS keep your finger off the trigger until ready to shoot. Your trigger finger is your safety device. Unless you're aiming at your target, your finger shouldn't be touching the trigger.
- ALWAYS be sure of your target, and what lies beyond it.

**If you have any questions about shooting or the usage of the range,
you can send us an email at hahrange@yahoo.com**

Hours of operation are from 9 A.M. to Sunset on Saturdays and Sundays from 12 P.M. to Sunset. **Please be courteous and give the Range Officer on duty a 48-hour notice of your intentions to shoot.** Range Officer Duty Schedules and phone numbers are listed below for your convenience.

Attention Members

Below are excerpts from the HAH Club Rules
regarding calling in Social Guests and Contractors.

NOTE: Please be sure that you contact Security PRIOR to your guests or contractors arriving, so they can be put on the guest/contractor list. When social guests and/or contractors arrive without being called in prior to their arrival, Security then has to attempt to contact the member to confirm the arrival of the social guest/contractor. This process takes valuable time away from Security doing more important duties to serve our members.

CALL TO ORDER: The meeting was called to order at 6:58 p.m. by President, Greg Ptacin. In attendance: Eric Lapp, Greg Ptacin, Dave Miller, Tom Mathews, Linda Lonsinger, Jim Lloyd, Frits Rizor, Valerie Barker, Jim Krygier, General Manager, Randy Swetnam and Management Committee, Jim Kirk. **Excused:** Dwain Mickey

ADOPT AGENDA

Motion to amend the agenda because the lot number under Additional business should be lot 542 not 592 by Linda Lonsinger, 2nd by Valerie Barker-**Motion Carried**

Motion to adopt the agenda made by Frits Rizor; second by Jim Krygier- **Motion Carried**

PRESIDENT'S REPORT – Greg Ptacin

There have been three rollover accidents involving juveniles driving golf carts this year. Fortunately no one was seriously injured. Carts with more children than seats allow, speed going down hills and children under 12 driving carts with no adults present are major concerns.

Any golf cart or ORV driven on HAH roads by a juvenile must have a sticker proving the parents and the child have attended a rules session put on by the ORV Committee. If the child attended in 2017 the parents may go to the office or security, show identification and sign a new release form. They do not have to attend the session each year. Security will step up enforcement of the ORV rules. This is being done to prevent a regrettable accident.

HAH financials are improving. Lodge and Clubhouse performance are improving too. However, without the proposed monthly assessment increase HAH cannot afford the costly fix of about five miles of the ditches that border HAH roads. Without that repair roads will continue go get narrower and the MotoPave areas will be undermined. Sessions to explain all of the reasons for the increase will be announced soon. Please attend and ask questions before you decide how you will vote in August.

CORRESPONDENCE –Eric Lapp

Edwin Gudgel sent in a letter (dated on June 12th) about the proposed raise of assessments. He suggests closing the lodge because of the loss from last year. He also mentioned problems with the post office near the front.

CONSIDER MINUTES – May 15, 2018

Motion to approve the minutes was made by Jim Krygier; second by Linda Lonsinger- **Motion Carried**

TREASURER'S REPORT – Tom Mathews

Total committee funds in the Vinton County National Bank on May 31, 2018 were \$110,615.04. Motion to approve made by Tom Mathews; second by Dave Miller- **Motion Carried**

MANAGEMENT COMMITTEE REPORT – Jim Kirk

Lodge and Clubhouse numbers continue to improve. Father's day brunch was over \$1600. Maintenance is prepping the roads for chip and seal. Marion Township fire department said it was spontaneous combustion that started the fire at the dumpster. South Central Power has reached out about potentially burying electric lines. We are still looking to add staffing to the lodge and Security. Linda Lonsinger mentioned adding additional utilities in the burial of electric lines such as gas or water.

GENERAL MANAGER'S REPORT – Randy Swetnam

Delinquency totals are up a little this month. Regular Assessments are \$28,281.00 as of June 15, 2018 compared to \$27,724.00 last month. Roads stayed the same. Hocking County Health Department called a couple of months ago asking about testing for mosquitoes and if it should be done. They are going to come in and place four mosquito traps, testing weekly for West Nile Virus. The mower we ordered earlier in the year has come in the other day. We've sold three club lots recently.

We will no longer print paper copies of consolidated Committee Report – only email to Board.

OPEN FORUM

Diana Pulver (868) spoke to the board about the increase of thefts in the area. Randy stated that Security does check people when they are notified about situations and they have gotten some people who weren't with the members, but they can't possibly check everyone. The board also informed about the neighborhood watch group that meets the first Monday of the month at the Clubhouse. Jeff Lee wanted to thank Randy for help this past month.

NEW BUSINESS

Review Proposed Rules Revisions-Jim Lloyd

Board reviewed numerous proposed rule changes provided by the constitution committee including: Lodge Non Member Guests, smoking on the deck, home based business issues and others. More discussion to follow after board members have had time to review the changes.

Proposed Donation of a Fire Pit-Dave Miller

John and Becky Saxton (1034) have offered to donate a brick constructed fire pit by the amphitheater. He'd like to place a "donated by" plaque on it. Pictures and drawings were shown to the board. Motion to accept the donation by Jim Krygier, 2nd by Dave Miller to allow Josh's Construction Company to put a large fire pit in with this plaque after approval from the ACC – **Motion Carried**

ORV Rules – Greg Ptacin

We are proposing that last year's participants update their HAH sticker by signing a new waiver. The rule needs to be changed to include re-certification of the minor every year. ORV wants to hold another training class as quickly as 4th of July, because of the low attendance at the last one (only 2 minors) but we need numerous e-blasts to update the members. Security will start stopping young drivers to verify rule is being followed.

ADDITIONAL BUSINESS

Lot 542 was up for Sheriff's sale on 6/15/18. There was a minimum bid of \$5000 and there were no bidders. There will be no minimum at the next Sheriff's sale. The club owns the adjacent lot. The goal is to get the property and be able to sell it to a new member or to get another person to bid. Jim Krygier motion to bid up to \$2000 on lot 542 when it comes up for sale on June 29, 2018, 2nd by Valerie Barker – **Motion Carried**
