Dedication Ceremony for the LOFS Dam

**Saturday, May 6, 2017
11:00 a.m. at the
Top of the spillway**

Please come out to help us dedicate the new dam, unveil the commemorative plaque and enjoy a couple of surprises.

Hanging Flower Baskets for Mother's Day!

The Chapel Committee will be selling hanging flower baskets for \$15 each and ferns for \$20 each at the front gate on the following dates:

Friday, May 12 ~ 3-6 pm
Saturday, May 13 ~ 10 am-1 pm

Last year's flowers sold very quickly so don't miss out! Your support is appreciated!

Chapel Services

We are looking forward to another great summer of services at the Chapel in the Pines. Services start June 4, the weekend after Memorial Day and will be held every Sunday through Labor Day at 10:30 am.

In case of rain, services will be held in the Great Room.

HAH Airstrip

The landing strip, taxi ways, and parking areas designated for aircraft will be used by aircraft or maintenance equipment only.

Please do not drive, play or park on the airstrip. Thank you.

Building Code Rule

Building Code 300.06 states that "All existing and new fuel storage containers shall be placed in such a location so as not to be seen from any common road or from neighboring property. If this is not possible, then a suitable screen shall be installed."

Are you in compliance with this Building Code Rule?

President's Report

The "Hills are alive" with spring green and colorful blossoms. The LOFS is full and warm weather activities are beginning.

The Chapel Committee gave a present to HAH on Easter Sunday when they brought back the Chime Master Carillon. Many members enjoyed a fine concert.

Jim Krygier, Eric Lapp, Linda Lonsinger, Dwain Mickey and Frits Rizor are candidates to run for the four openings on the Board at the August Annual Meeting. We thank them for volunteering.

HAH is your community. Its future is in the hands of those who volunteer for openings on the Board and Management Committee. They're like the elected officials of a small city.

By our Code of Regulations, a Nominating Committee must come up with a slate of candidates. But the Code also provides a way for others to run as well. If you feel you can help keep HAH financially strong, be responsive to the members and want to keep it a great place to live, please consider adding your name to the list of candidates. How to do that is on page 19 in this Echo. You have until June 1.

Members are invited to the Dedication of the LOFS Dam on Saturday, May 6 at 11:00 a.m. We will take time to unveil a plaque, recognize a job well done and have a couple of surprises for you.

Most of you backed the effort for the new dam and made it happen. It's time for some High Fives!

Greg Ptacin, President

Pool Opening

The swimming pool will open on Saturday, May 27; and, since our lifeguards will all be out of school by then, it will remain open through the Labor Day weekend.

Hours of Operation:
Monday to Saturday 11 am - 8 pm
Sunday 11:30 am to 8 pm

News from the Range

May 2017

Well spring is officially here and the long awaited opening of the Lake of the Four Seasons has taken place and all the boaters are happy. Well, if you happen to be like me and do not own a boat, come over to the Range!

We can accommodate pistol shooters at distances from 25 feet to 50 yards, rifle shooters, under .50 calibers, can choose to shoot from 25 to 100 yards. We even have a trap shooting range for those who enjoy the immediate satisfaction of knowing when you hit your target.

Important reminder, if you have indulged in adult beverages prior to coming to the Range, we cannot allow you to shoot; for obvious reasons, you might be better off going fishing.

Interested in training to obtain your Ohio License to Carry a Concealed handgun? We are making plans to sponsor a course for members later this year; drop the Range an email at hah-range@yahoo.com if interested, be sure to include your name and contact information.

Hours of operation are from 9 A.M. to Sunset on Saturday, and Sunday from 12 P.M. to Sunset. **Please be courteous and give the Range Officer on duty a 48-hour notice of your intentions to shoot.** Range Officer Duty Schedules and phone numbers are listed below for your convenience.

Our sympathy is extended to the family of Richard Rowland who passed away in March.

Have you noticed...

The Food Services Committee and the Fun, Food and Fellowship Committee have been working together for several months to make improvements and changes to your experience at the Lodge and the Clubhouse. Some of these improvements/changes include:

- Beer and spirits tastings
- Themed buffets
- Monthly member birthday celebration
- Upgraded equipment in the kitchen at the Lodge for better and quicker food service
- Increased marketing and communication
- Snow Flake Ball

This list could go on and on. We have been fortunate enough to have a restaurant management expert in our midst - John Blankenship.

John has been working hard with Gerard and others to identify areas of opportunity to improve the experiences at the Lodge and Clubhouse. These efforts are making a difference at both locations as we are seeing patronage increase and positive comment cards.

As the lake opens back up and the concert season is upon us, we encourage you and your guests to take advantage of the Lodge and Clubhouse. Also, be on the lookout for a new summer menu and email blasts for upcoming events.

Sincerely,
Kathy Clevenger

Hello Gardening Lovers!

The Adopt An Area Committee could use help this season.

We need a few folks who can volunteer some time to help water and pull weeds at the common area gardens. The main focus is at the front gate.

If you can help us, please call Carter Foy 740-569-9353 or email at carter1989@columbus.rr.com
Thanks so much, Carter & Patrick Foy

Where Can Your Dog Swim?

Members may use the North Park, Lake Deer Foot, Lake Arrowhead, Lake Eagle Claw or the LOFS boat ramp.

There are two cautions: there may be fish hooks or lures in the water at the bottom. And, members should not use the LOFS boat ramp when boats are being launched or other lakes if it would bother those who are fishing.

Water Aerobics is Starting Soon!

The pool is going to open and HAH water aerobics will begin on Monday, May 29.

We're there from 9:30 a.m. to 10:30 a.m. every Monday, Wednesday and Friday through Labor Day, Monday, September 4.

Parker Team Tips: Organize, Maximize Your Pantry!

1) Snappy Storage Containers provide see-through storage, no labeling, freshness & are perfect for cereals & snacks. You also save space by recycling the packaging.

2) Sliding Shelves are a big plus, as you don't need to shuffle items around to see them.

3) A Rotating Lazy Susan is perfect for canned & bottled products. So EZ to find your choices!

4) Wire Baskets are perfect for produce; they let items "breathe" for longer retention.

5) Secret Spaces... Take full advantage of the backs of cabinet doors for extra space.

6) Snack Stations: Make one by attaching curtain hooks to a piece of wood or put kid's snacks on the bottom shelf for easy reach

Dear HAH Members and Supporters –

Over the years, members have made it clear that there is a desire to expand the Lounge area of the Lodge by adding a deck. The time has come!

Support the Raise the Deck campaign

We are excited to announce there are plans underway to add a deck to the Lounge. To make this become a reality, we need your support. HAH members have a long legacy of stepping up when asked to support worthwhile projects. The Fun, Food, and Fellowship Committee's goal is to raise funds to help with this project.

The Lodge is a great amenity at HAH where many life-long friendships and memories are created and the deck will add to those memories by watching concerts from the deck, reserving a section for a party or just enjoying the beautiful outdoors.

Your financial pledge of a minimum of \$200 will be honored by having your name on a commemorative plaque that will hang in the lodge. Any pledge will be welcomed and appreciated.

Thank you for your support to the Raise the Deck fundraising campaign.

Thanks to Roads Cleanup Volunteers

Thank-You to all volunteers helping out with the Annual HAH Roads Clean-Up on Saturday, April 15. A number of volunteers who were unable to participate on "clean-up" day, helped clean roads and HAH areas the week prior. HAH roads, Hornsmill Road, both dumpster areas, lakes, North Park, maintenance area, Harcum Park and front gate areas were "picked-up".

More than (12) 30-gallon bags of trash were collected! Hard to imagine that much trash! Thanks to all the volunteers who found time to participate. Sorry if I missed anyone, please drop me a note if you helped out. Watch for

our "HAH Fence Staining Saturday" in June!! New volunteers are always welcome!

Thanks to Karl & Janene Maki, Joe & Peggy Ryan, Victoria Guay, Linda Lonsinger, Mary Morris, Vicki Blakey & pups Spartacus & Bosco, Ken & Leah Ann Yost, Dave Wolfe, Carl Granzow, John Wintrich, Heather Rea, Cynthia Carbone, Mark & Darcy Nadler, Lisa & John Jones & their children, Dale Rose, Bob & Linda Mt Joy, Bunny Bauer, Ed & Jane Gudgel, and Sherrill & Henry Hunt.

Adopt An Area Committee Report

May 1st, 2017

Warm weather brings on planting season. Our committee will begin planting at the front entrance of HAH. Even though it has been warmer than usual, we do not want to plant flowers too early, as we could still get some cold frosty nights.

We will start the usual weed extractions soon and begin planting around the first of May. The "committee" has very few volunteers to weed and water the gardens on a daily basis. However, the front gate gardens will be planted with colorful and hopefully growing and thriving plants this season.

Thank you!

Carter Foy, Chair, AAA Committee.

Barn Safety

The Barn Committee has found spent sparklers in the top part of the barn.

HAH Rules, page 26, #6a. ABSOLUTE NO SMOKING IN OR AROUND THE BARN - State Fire Law.

Rule #8, Right of Entry "Only members stabling horses and other designated, authorized personnel are permitted in the barn and pasture areas."

5K Run/Walk

The Health & Wellness Committee will have a 5K Run/Walk on Saturday, June 24 beginning at 9 a.m.

Details for the run will be in the June Echo and by email blasts.

All proceeds will benefit the committee's goal of establishing a fitness center in HAH.

For further information, contact Joe Williams at joeywilliams4@gmail.com.

Do you have any experience similar to this position? (Please describe)

I Currently serve as an active council member for Emanuel Lutheran Church located on 29439 Hide Away Hills Rd.

Do you have any financial or personnel management background? (Please describe)

My employment history; I held a section manager position at Hechinger Stores and Home Quarters (HQ) from 1989-93. Responsibilities included department budget, staffing and annual inventory.

What would you like to accomplish in HAH during your three-year term?

During my 3 year term my goal would be to maintain the integrity and originality of Hide Away Hills. To serve the community needs for today's residence yet respect and preserve the history of Hide Away Hills. I would like to bridge divisions within our community focusing on positive outcomes. I do not want to support or create CHANGE for the sake of change. As a leader it will be my duty to listen to our community needs and requests, take time to see what is working and what is not, and review all facts that would indicate change is necessary all while preserving the history and originality of the hills.

How would your experience and/or training be beneficial to the members of HAH?

While I was serving in the United States Marine Corps (80's) I learned duty, honor, courage, commitment, and developed a "ready to lead" personality. I incorporate these core character traits into my day to day life.

Are you willing to make decisions which are in the best interest of HAH, but which may not be popular with all members? Please explain.

Yes I am. As a leader it is a responsibility to listen to all needs and requests, research all facts, and assist with making a group decision on the best interest of the community, not an individual.

Do you have any regular commitments that would preclude you from attending the monthly Board meetings on the 3rd Tuesday evening of each month and the Annual Meeting on the 3rd Sunday afternoon in August?

No

Any other comments or statements you would like to make?

Shortly after my wife of 32 years and I purchased our cabin home we began meeting some seasoned members of HAH. Everyone that we met advised us to "get involved" and be active in the community. Whether I am selected or not, I will continue to be involved and be an active positive member of this amazing place we all call home. (or weekend get away).

Hide-A-Way Hills Club Board of Trustees Meeting April 18, 2017

CALL TO ORDER: The meeting was called to order at 7:00 p.m. by President Greg Ptacin. In attendance: Valerie Barker, Patrick Foy, Eric Lapp, Jim Lloyd, Tom Mathews, Dave Miller, Ginger Reed, Dale Young, General Manager, Randy Swetnam and Management Committee member, Jim Sigafoose. **Excused:** Linda Lonsinger.

ADOPT AGENDA

Motion to amend agenda by adding a short Executive Session at the adjournment of the Board of Trustees Meeting made by Patrick Foy; second by Dave Miller – **Motion Carried**

Motion to adopt the agenda made by Ginger Reed; second by Patrick Foy – **Motion Carried**

PRESIDENT'S REPORT – Greg Ptacin

- We will be submitting five names as candidates for the Board of Trustees for 2017. We talked to well over 30 people; the Committee really worked hard to get nominees for the four openings we have. The way that it is going to work is the fourth vote getter will receive the one year term to fill the place of a former Board member who did not complete their term. HAH relies on volunteers and this community lives or dies with volunteers on our Board, Management Committee and our committees. Members can still be nominated; they need fifteen signatures and we will get those signatures if needed. We need people to step forward.

CORRESPONDENCE – Valerie Barker

- Ford Lot #596 letter regarding suggestions, observations, opinions and ideas for improvements (copy attached to Board minutes) President Ptacin noted that many of these items have been or are in the process of being completed and states that he passed Ford's letter along to Management Committee and suggests that perhaps in June we review the letter to follow up.
- Food Services Task Force letter regarding HAH Lodge and the "Raise the Deck" Campaign (copy attached to Board minutes).

CONSIDER MINUTES – March 21, 2017

Motion to approve the minutes was made by Dave Miller; second by Ginger Reed – **Motion Carried**

TREASURER'S REPORT – Ginger Reed

Total Committee funds in the Vinton County National Bank on March 31, 2017 were \$59,963.56. Motion to approve made by Ginger Reed; second by Patrick Foy – **Motion Carried**

MANAGEMENT COMMITTEE REPORT – Jim Sigafoose

- The Lake of the Four Seasons: The water is at full pool at 815.6 this has not changed since the dam repair. There has been some talk about the water being higher but it is not as the spillway level has not changed. The target is still April 29th to open the lake up to full motor usage but we can open earlier if we get the docks done. We have ordered the new LED lights to be installed top of the dam and there will be one at each dock to be installed in May. We have also ordered new buoys and the Lakes Committee has split the cost of those and buoys should be in by the middle of May. New trash cans have been ordered for the end of each dock; we are debating on whether or not to make all or some of them recycling containers versus trash containers. The lake monitoring plan has been submitted to ODNR.
- We will be moto paving from Kusa, where we left off last year down to Security at the front gate. It is a shorter distance than what we did last year, so we will purchase five loads of chip and seal mix versus two loads that we purchased last year.
- New deck proposal for the Lodge: The Food, Fun & Fellowship Committee is working on fundraising for that project.
- We have added one full-time maintenance employee which brings us up to seven total and four seasonal employees.
- Management has been discussing the continuing need to mow the airstrip; we mow that weekly and it takes about four to five hours to mow. Since it is an HAH amenity and an FAA airstrip, we are going to continue to mow it but we are discussing usage and cost effectiveness to continue mowing.
- We are currently working on the septic system at the front entrance bathrooms and we have been in contact with Hocking County to approve a new septic system. We had the system pumped once this spring and it immediately filled back up due to the heavy rains. So, we have port-a-johns down there now as the bathroom are closed. And since the bathrooms are closed, we are using this time to reseal the floors.
- We are also having the Clubhouse fascia replaced as it's well-rotted. Due to the height of that we had to get a contractor with a scissor lift to do the project.

GENERAL MANAGER'S REPORT – Randy Swetnam

- Delinquency totals for March 2017 were \$53,124 for regular assessments and as of this month \$50,795. Roads delinquencies went up by a small amount due to late fees. We have had no new Roads delinquencies because the assessment is not due until June 1st. We do have one bankruptcy account, but in all, the delinquencies are down this month.
- Dam assessment total right now is \$298,381 and we sold three more HAH lots for the full price of \$12,000.
- The new dock which is the extension of E dock will be delivered tomorrow along with the 10-foot extension. This will make it even with the rest of the docks. Hopefully the new dock extension will be together this week and we will have everything anchored this week depending on the weather/wind.

- As of right now there are 39 people on the dock waiting list; however, those new docks have not been assigned so 16 slips will come off the 39 on the waiting list. Some individuals on the waiting list want a certain dock and some of them already have a dock but are waiting to move to another.
- Management approved the purchase of a used backhoe. Paul Heimberger was instrumental putting this deal together for us. We asked CAT to come out and give a price on some of the equipment we no longer use such as the grader, the old backhoe purchased in 2009 and the roller – they gave us \$26,000 for those pieces of equipment.

COMMITTEE BUSINESS AND REPORTS

- Motion to approve the nominations of James Krygier, Eric M. Lapp, Linda Lonsinger, Jimmy “Dwain” Mickey and Frits Rizor as candidates for the four vacancies on the Board of Trustees by Dale Young, second by Ginger Reed – **Motion Carried**
- Lakes Committee is still in need of volunteers for the Boat Launch on April 29th.
- ORV Committee will announce a date for the second session for underage ORV drivers.
- Barn Committee would like a clean-up and to add new sand in the barn area for the Pony Palooza event. There were some fireworks sparklers in the trash cans upstairs in the barn and we suspect someone was lighting these in the barn. We would like the cameras checked so we can find out who is responsible for this as it is a fire/safety hazard with all the hay in the barn.
- Tennis Committee would like to mention the fences leaning on the tennis courts – Randy in process of having someone come out and take a look.
- Long Range Planning Committee has a new Chair, Dan Donovan. The meetings are held the second Tuesday of each month in the Great Room, the next meeting is May 9th.
- Food, Fun & Fellowship Committee is working on the fundraising for the Lodge deck.
- Adopt an Area Committee had their annual roads cleanup this past weekend and collected 12, 30-gallon bags of trash.

Consolidated committee reports were submitted (copy attached to Board minutes).

PLACES FOR DOGS TO SWIM

Rock at North Park, gravel at Eagle Claw, at the boat launch, Arrowhead boat ramp can be used for pets to enter the water – pet owners have to be sensitive that members fish there and someone may leave a hook that your pet could step on. Pets could swim at any of those areas. Swimming is not allowed by pets at the beach.

Section 2...Special Individual Assessments.

a. Violations of the rules and regulations, Deed Restrictions or Code of Regulations of Hide-A-Way Hills Club may result in levying, as a Special Individual Assessment, the cost of enforcement against the owner of a lot for any violation of the terms of the rules and regulations, Deed Restrictions or Code of Regulations of Hide-A-Way Hills Club committed by such owner, family member thereof, or other licensee, invitee, tenant or guest thereof. Such Special Individual Assessments may include the schedule of fines established by the Board of Trustees. Such Special Individual Assessments levied against the owner, together with any attorney fees or other costs incurred by the Club, shall be a continuing lien against each lot that is charged with this assessment.

- b. Prior to any Special Individual Assessment being enforced by the Club against any member, that member shall have the right to a hearing before the Board or duly appointed committee and a right to cross-examine any witness against that member at the hearing. Such rights must be exercised, in writing, within 10 calendar days of the Special Individual Assessment notification, or the right is forfeited. Hearings shall be held in closed session unless an open session is requested by the member(s).

Please Drive Safely

Our main road has been resurfaced with moto pave which makes for a very smooth ride. At the same time, it seems some of our members feel it allows them to go much faster than our 19 MPH speed limit allows.

**SPEED
LIMIT
19**

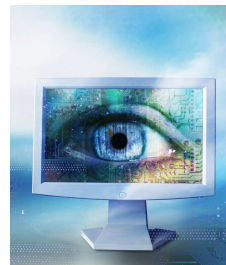

Per the paving company, the speed humps cannot be put back into the new pavement until this spring.

For the safety of everyone, please obey the speed limit not only on the newly paved roadways but on all HAH roadways.

It could save a life and it might just be yours.

Extraordinary Mom

What can I say of my wonderful mother,
An extraordinary person, a mom like no other.
Whenever I need you, you're always there;
You listen, understand, and show that you care.

You do the things other mothers all do,
But Mom, there's just so much more to you.
It's hard to describe the feelings I feel;
My love for you, Mom, is deep and real.

I appreciate you more than I ever could say;
To my extraordinary mom: Happy Mother's Day!
